(1) A subaward has been made to the subawardee on or before December 31, 2010;

(2) The subawardee has, by the close of 2010, paid or incurred at least 30 percent of the subawardee's total adjusted basis in land and depreciable property that is reasonably expected to be part of the low-income housing project; and

(b) *Purpose.* This Part contains rules prescribed by the Department of the Treasury to implement and administer the Terrorism Risk Insurance Program.

(c) *Scope.* This Part applies to insurers subject to the Act and their policyholders.

[68 FR 9811, Feb. 28, 2003, as amended at 71 FR 27569, May 11, 2006; 73 FR 53363, Sept. 16, 2008]

§ 50.2 Responsible office.

The office responsible for the administration of the Terrorism Risk Insurance Act in the Department of the Treasury is the Terrorism Risk Insurance Program Office. The Treasury Assistant Secretary for Financial Institutions prescribes the regulations under the Act.

[68 FR 41264, July 11, 2003.]

§ 50.4 Mandatory participation in Program.

Any entity that meets the definition of an insurer under the Act is required to participate in the Program.

§ 50.5 Definitions.

For purposes of this Part:

(a) *Act* means the Terrorism Risk Insurance Act of 2002.

(b) *Act of terrorism*—(1) *In general.* The term *act of terrorism* means any act that is certified by the Secretary, in concurrence with the Secretary of State and the Attorney General of the United States:

(i) To be an act of terrorism;

(ii) To be a violent act or an act that is dangerous to human life, property, or infrastructure;

(iii) To have resulted in damage within the United States, or outside of the United States in the case of:

(A) An air carrier (as defined in 49 U.S.C. 40102) or a United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States); or

(B) The premises of a United States mission; and

(iv) To have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

§ 50.5

(2) *Limitations.* The Secretary is not authorized to certify an act as an act of terrorism if:

(i) The act is committed as part of the course of a war declared by the Congress (except with respect to any coverage for workers' compensation); or

(ii) property and casualty losses resulting from the act, in the aggregate, do not exceed \$5,000,000.

(3) *Judicial review precluded.* The Secretary's certification of an act of terrorism, or determination not to certify an act as an act of terrorism, is final and is not subject to judicial review.

(c)(1) *Affiliate* means, with respect to an insurer, any entity that controls, is controlled by, or is under common control with the insurer. An affiliate must itself meet the definition of insurer to participate in the Program.

(2) For purposes of paragraph (c)(1) of this section, an insurer has control over another insurer for purposes of the Program if:

(i) The insurer directly or indirectly or acting through one or more other persons owns, controls, or has power to vote 25 percent or more of any class of voting securities of the other insurer;

(ii) The insurer controls in any manner the election of a majority of the directors or trustees of the other insurer; or

(iii) The Secretary determines, after notice and opportunity for hearing, that an insurer directly or indirectly exercises a controlling influence over the management or policies of the other insurer, even if there is no control as defined in paragraph (c)(2)(i) or (c)(2)(ii) of this section.

(3) An insurer described in paragraph (c)(2)(i) or (c)(2)(ii) of this section is conclusively deemed to have control.

(4) For purposes of a determination of controlling influence under paragraph (c)(2)(iii) of this section, if an insurer is not described in paragraph (c)(2)(i) or (c)(2)(ii) of this section, the following rebuttable presumptions will apply:

(i) If an insurer controls another insurer under any State law, and at least one of the factors listed in paragraph (c) (4)(iv) of this section applies, there is a rebuttable presumption that the insurer that has control under State law exercises a controlling influence

31 CFR Subtitle A (7-1-10 Edition)

over the management or policies of the other insurer for purposes of paragraph (c)(2)(iii) of this section.

(ii) If an insurer provides 25 percent or more of another insurer's capital (in the case of a stock insurer), policyholder surplus (in the case of a mutual insurer), or corporate capital (in the case of other entities that qualify as insurers), and at least one of the factors listed in paragraph (c)(4)(iv) of this section applies, there is a rebuttable presumption that the insurer providing such capital, policyholder surplus, or corporate capital exercises a controlling influence over the management or policies of the receiving insurer for purposes of paragraph (c)(2)(iii) of this section.

(iii) If an insurer, at any time during a Program Year, supplies 25 percent or more of the underwriting capacity for that year to an insurer that is a syndicate consisting of a group including incorporated and individual unincorporated underwriters, and at least one of the factors in paragraph (c)(4)(iv) of this section applies, there is a rebuttable presumption that the insurer exercises a controlling influence over the syndicate for purposes of paragraph (c)(2)(iii) of this section.

(iv) If paragraphs (c)(4)(i) through (c)(4)(iii) of this section are not applicable, but two or more of the following factors apply to an insurer, with respect to another insurer, there is a rebuttable presumption that the insurer exercises a controlling influence over the management or policies of the other insurer for purposes of paragraph (c)(2)(iii) of this section:

(A) The insurer is one of the two largest shareholders of any class of voting stock;

(B) The insurer holds more than 35 percent of the combined debt securities and equity of the other insurer;

(C) The insurer is party to an agreement pursuant to which the insurer possesses a material economic stake in the other insurer resulting from a profit-sharing arrangement, use of common names, facilities or personnel, or the provision of essential services to the other insurer;

(D) The insurer is party to an agreement that enables the insurer to influence a material aspect of the management or policies of the other insurer;

(E) The insurer would have the ability, other than through the holding of revocable proxies, to direct the votes of more than 25 percent of the other insurer's voting stock in the future upon the occurrence of an event;

(F) The insurer has the power to direct the disposition of more than 25 percent of a class of voting stock of the other insurer in a manner other than a widely dispersed or public offering;

(G) The insurer and/or the insurer's representative or nominee constitute more than one member of the other insurer's board of directors; or

(H) The insurer or its nominee or an officer of the insurer serves as the chairman of the board, chairman of the executive committee, chief executive officer, chief operating officer, chief financial officer or in any position with similar policymaking authority in the other insurer.

(5) An insurer that is not described in paragraph (c)(2)(i) or (c)(2)(ii) of this section may request a hearing in which the insurer may rebut a presumption of controlling influence under paragraph (c)(4)(i) through (c)(4)(iv) of this section or otherwise request a determination of controlling influence by presenting and supporting its position through written submissions to Treasury, and in Treasury's discretion, through informal oral presentations, in accordance with the procedure in § 50.8.

(6) See § 50.55 of this part for determination of an insurer's affiliates for purposes of subpart F.

(d) *Aggregate Federal share of compensation* means the aggregate amount paid by Treasury for the Federal share of compensation for insured losses in a Program Year.

(e) *Assessment period* means a period, established by Treasury, during which policyholders of property and casualty insurance policies must pay, and insurers must collect, the Federal Terrorism Policy Surcharge for remittance to Treasury.

(f) *Direct earned premium* means direct earned premium for all commercial property and casualty insurance issued by any insurer for insurance against all

losses, including losses from an act of terrorism, occurring at the locations described in section 102(5)(A) and (B) of the Act.

(1) *State licensed or admitted insurers.* For a State licensed or admitted insurer that reports to the NAIC, direct earned premium is the premium information for commercial property and casualty insurance reported by the insurer on column 2 of the NAIC Exhibit of Premiums and Losses of the NAIC Annual Statement (commonly known as Statutory Page 14). (*See* definition of property and casualty insurance.)

(i) Premium information as reported to the NAIC should be included in the calculation of direct earned premiums for purposes of the Program only to the extent it reflects premiums for commercial property and casualty insurance issued by the insurer against losses occurring at the locations described in section 102(5)(A) and (B) of the Act.

(ii) Premiums for personal property and casualty insurance (insurance primarily designed to cover personal, family or household risk exposures, with the exception of insurance written to insure 1 to 4 family rental dwellings owned for the business purpose of generating income for the property owner), or premiums for any other insurance coverage that does not meet the definition of commercial property and casualty insurance, should be excluded in the calculation of direct earned premiums for purposes of the Program.

(iii) Personal property and casualty insurance coverage that includes incidental coverage for commercial purposes is primarily personal coverage, and therefore premiums may be fully excluded by an insurer from the calculation of direct earned premium. For purposes of the Program, commercial coverage is incidental if less than 25 percent of the total direct earned premium is attributable to commercial coverage. Commercial property and casualty insurance against losses occurring at locations other than the locations described in section 102(5)(A) and (B) of the Act, or other insurance

§ 50.5

coverage that does not meet the definition of commercial property and casualty insurance, but that includes incidental coverage for commercial risk exposures at such locations, is primarily not commercial property and casualty insurance, and therefore premiums for such insurance may also be fully excluded by an insurer from the calculation of direct earned premium. For purposes of this section, commercial property and casualty insurance for losses occurring at the locations described in section 102(5)(A) and (B) of the Act is incidental if less than 25 percent of the total direct earned premium for the insurance policy is attributable to coverage at such locations. Also for purposes of this section, coverage for commercial risk exposures is incidental if it is combined with coverages that otherwise do not meet the definition of commercial property and casualty insurance and less than 25 percent of the total direct earned premium for the insurance policy is attributable to the coverage for commercial risk exposures.

(iv) If a property and casualty insurance policy covers both commercial and personal risk exposures, insurers may allocate the premiums in accordance with the proportion of risk between commercial and personal components in order to ascertain direct earned premium. If a policy includes insurance coverage that meets the definition of commercial property and casualty insurance for losses occurring at the locations described in section 102(5)(A) and (B) of the Act, but also includes other coverage, insurers may allocate the premiums in accordance with the proportion of risk attributable to the components in order to ascertain direct earned premium.

(2) *Insurers that do not report to NAIC.* An insurer that does not report to the NAIC, but that is licensed or admitted by any State (such as certain farm or county mutual insurers), should use the guidance provided in paragraph (f)(1) of this section to assist in ascertaining its direct earned premium.

(i) Direct earned premium may be ascertained by adjusting data maintained by such insurer or reported by such insurer to its State regulator to

31 CFR Subtitle A (7–1–10 Edition)

reflect a breakdown of premiums for commercial and personal property and casualty exposure risk as described in paragraph (f)(1) of this section and, if necessary, re-stated to reflect the accrual method of determining direct earned premium versus direct premium.

(ii) Such an insurer should consider other types of payments that compensate the insurer for risk of loss (contributions, assessments, etc.) as part of its direct earned premium.

(3) *Certain eligible surplus line carrier insurers.* An eligible surplus line carrier insurer listed on the NAIC Quarterly Listing of Alien Insurers must ascertain its direct earned premium as follows:

(i) For policies that were in-force as of November 26, 2002, or entered into prior to January 1, 2003, direct earned premiums are to be determined with reference to the definition of property and casualty insurance and the locations described in section 102(5)(A) and (B) of the Act by allocating the appropriate portion of premium income for losses for property and casualty insurance at such locations. The same allocation methodologies contained within the NAIC's "Allocation of Surplus Lines and Independently Procured Insurance Premium Tax on Multi-State Risks Model Regulation" for allocating premium between coverage for property and casualty insurance for losses occurring at the locations described in section 102(5)(A) and (B) of the Act and all other coverage, to ascertain the appropriate percentage of premium income to be included in direct earned premium, may be used.

(ii) For policies issued after January 1, 2003, premium for insurance that meets the definition of property and casualty insurance for losses occurring at the locations described in section 102(5)(A) and (B) of the Act, must be priced separately by such eligible surplus line carriers.

(4) *Federally approved insurers.* A federally approved insurer under section 102(6)(A)(iii) of the Act should use a methodology similar to that specified for eligible surplus line carrier insurers in paragraph (f)(3) of this section to calculate its direct earned premium. Such calculation should be adjusted to

reflect the limitations on scope of insurance coverage under the Program (i.e., to the extent of federal approval of commercial property and casualty insurance in connection with maritime, energy or aviation activities).

(g) *Direct written premium* means the premium information for commercial property and casualty insurance as defined in paragraph (u) of this section that is included by an insurer in column 1 of the Exhibit of Premiums and Losses of the NAIC Annual Statement or in an equivalent reporting requirement. The Federal Terrorism Policy Surcharge is not included in amounts reported as direct written premium.

(h) *Discretionary recoupment amount* means such amount of the aggregate Federal share of compensation in excess of the mandatory recoupment amount that the Secretary has determined will be recouped pursuant to section 103(e)(7)(D) of the Act.

(i) *Federal Terrorism Policy Surcharge* means the amount established by Treasury under section 103(e)(8) of the Act which is imposed as a policy surcharge on property and casualty insurance policies, expressed as a percentage of the written premium.

(j) *Insurance marketplace aggregate retention amount* means an amount for a Program Year as set forth in section 103(e)(6) of the Act. For any Program Year beginning with 2008 through 2014, such amount is the lesser of \$27,500,000,000 and the aggregate amount, for all insurers, of insured losses from Program Trigger Events during the Program Year.

(k) *Insured loss.* (1) The term insured loss means any loss resulting from an act of terrorism (including an act of war, in the case of workers' compensation) that is covered by primary or excess property and casualty insurance issued by an insurer if the loss:

- (i) Occurs within the United States;
- (ii) Occurs to an air carrier (as defined in 49 U.S.C. 40102), to a United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or

- (iii) Occurs at the premises of any United States mission.

(2)(i) A loss that occurs to an air carrier (as defined in 49 U.S.C. 40102), to a United States flag vessel, or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States, is not an insured loss under section 102(5)(B) of the Act unless it is incurred by the air carrier or vessel outside the United States.

(ii) An insured loss to an air carrier or vessel outside the United States under section 102(5)(B) of the Act does not include losses covered by third party insurance contracts that are separate from the insurance coverage provided to the air carrier or vessel.

(3) The term insured loss includes reasonable loss adjustment expenses, incurred by an insurer in connection with insured losses, that are allocated and identified by claim file in insurer records, including expenses incurred in the investigation, adjustment and defense of claims, but excluding staff salaries, overhead, and other insurer expenses that would have been incurred notwithstanding the insured loss.

(4) The term insured loss does not include:

- (i) Punitive or exemplary damages awarded or paid in connection with the Federal cause of action specified in section 107(a)(1) of the Act. The term "punitive or exemplary damages" means damages that are not compensatory but are an award of money made to a claimant solely to punish or deter; or

- (ii) Extra contractual damages awarded against, or paid by, an insurer; or

- (iii) Payments by an insurer in excess of policy limits.

(l) *Insurer* means any entity, including any affiliate of the entity, that meets the following requirements:

(1)(i) The entity must fall within at least one of the following categories:

- (A) It is licensed or admitted to engage in the business of providing primary or excess insurance in any State, (including, but not limited to, State licensed captive insurance companies, State licensed or admitted risk retention groups, and State licensed or admitted farm and county mutuals), and,

§ 50.5

if a joint underwriting association, pooling arrangement, or other similar entity, then the entity must:

(1) Have gone through a process of being licensed or admitted to engage in the business of providing primary or excess insurance that is administered by the State's insurance regulator, which process generally applies to insurance companies or is similar in scope and content to the process applicable to insurance companies;

(2) Be generally subject to State insurance regulation, including financial reporting requirements, applicable to insurance companies within the State; and

(3) Be managed independently from other insurers participating in the Program;

(B) It is not licensed or admitted to engage in the business of providing primary or excess insurance in any State, but is an eligible surplus line carrier listed on the Quarterly Listing of Alien Insurers of the NAIC, or any successor to the NAIC;

(C) It is approved or accepted for the purpose of offering property and casualty insurance by a Federal agency in connection with maritime, energy, or aviation activity, but only to the extent of such federal approval of commercial property and casualty insurance coverage offered by the insurer in connection with maritime, energy, or aviation activity;

(D) It is a State residual market insurance entity or State workers' compensation fund; or

(E) As determined by the Secretary, it falls within any other class or type of captive insurer or other self-insurance arrangement by a municipality or other entity, to the extent provided in Treasury regulations issued under section 103(f) of the Act.

(ii) If an entity falls within more than one category described in paragraph (f)(1)(i) of this section, the entity is considered to fall within the first category within which it falls for purposes of the Program.

(2) The entity must receive direct earned premiums for any type of commercial property and casualty insurance coverage, except in the case of:

(i) State residual market insurance entities and State workers' compensa-

31 CFR Subtitle A (7-1-10 Edition)

tion funds, to the extent provided in Treasury regulations; and

(ii) Other classes or types of captive insurers and other self-insurance arrangements by municipalities and other entities, if such entities are included in the Program by Treasury under regulations in this Part.

(3) The entity must meet any other criteria as prescribed by Treasury.

(m) *Insurer deductible* means:

(1) For an insurer that has had a full year of operations during the calendar year immediately preceding the applicable Program Year:

(i) For the Transition Period (November 26, 2002 through December 31, 2002), the value of an insurer's direct earned premiums over calendar 2001, multiplied by 1 percent;

(ii) For Program Year 1 (January 1, 2003 through December 31, 2003), the value of an insurer's direct earned premiums over calendar year 2002, multiplied by 7 percent;

(iii) For Program Year 2 (January 1, 2004 through December 31, 2004), the value of an insurer's direct earned premiums over calendar year 2003, multiplied by 10 percent;

(iv) For Program Year 3 (January 1, 2005 through December 31, 2005), the value of an insurer's direct earned premiums over calendar year 2004, multiplied by 15 percent;

(v) For Program Year 4 (January 1, 2006 through December 31, 2006), the value of an insurer's direct earned premiums over calendar year 2005, multiplied by 17.5 percent;

(vi) For Program Year 5 (January 1, 2007 through December 31, 2007), or any Program Year thereafter, the value of an insurer's direct earned premiums over the calendar year immediately preceding that Program Year, multiplied by 20 percent; and

(2) For an insurer that has not had a full year of operations during the calendar year immediately preceding the applicable Program Year, the insurer deductible will be based on data for direct earned premiums for the applicable Program Year multiplied by the specified percentage for the insurer deductible for the applicable Program Year. If the insurer does not have a full year of operations during the applicable Program Year, the direct earned

premiums for the applicable Program Year will be annualized to determine the insurer deductible.

(n) *Mandatory recoupment amount* means the difference between the insurance marketplace aggregate retention amount for a Program Year and the uncompensated insured losses during such Program Year. The mandatory recoupment amount shall be zero, however, if the amount of such uncompensated insured losses is greater than the insurance marketplace aggregate retention amount.

(o) *NAIC* means the National Association of Insurance Commissioners.

(p) *Person* means any individual, business or nonprofit entity (including those organized in the form of a partnership, limited liability company, corporation, or association), trust or estate, or a State or political subdivision of a State or other governmental unit.

(q) *Professional liability insurance* means insurance coverage for liability arising out of the performance of professional or business duties related to a specific occupation, with coverage being tailored to the needs of the specific occupation. Examples include abstracters, accountants, insurance adjusters, architects, engineers, insurance agents and brokers, lawyers, real estate agents, stockbrokers and veterinarians. For purposes of this definition, professional liability insurance does not include directors and officers liability insurance.

(r) *Program* means the Terrorism Risk Insurance Program established by the Act.

(s) *Program Trigger event* means a certified act of terrorism that occurs after March 31, 2006, for which the aggregate industry insured losses resulting from such act exceed \$50,000,000 with respect to such insured losses occurring in 2006 or \$100,000,000 with respect to such insured losses occurring in 2007 and any Program Year thereafter.

(t) *Program Years* means the Transition Period (November 26, 2002 through December 31, 2002), Program Year 1 (January 1, 2003 through December 31, 2003), Program Year 2 (January 1, 2004 through December 31, 2004), Program Year 3 (January 1, 2005 through December 31, 2005), Program Year 4 (January 1, 2006 through December 31, 2006), Pro-

gram Year 5 (January 1, 2007 through December 31, 2007), and any Program Year thereafter (calendar years 2008 through 2014).

(u) *Property and casualty insurance* means commercial lines of property and casualty insurance, including excess insurance, workers' compensation insurance, and directors and officers liability insurance, and:

(1) Means commercial lines within only the following lines of insurance from the NAIC's Exhibit of Premiums and Losses (commonly known as Statutory Page 14): Line 1—Fire; Line 2.1—Allied Lines; Line 5.1—Commercial Multiple Peril (non-liability portion); Line 5.2—Commercial Multiple Peril (liability portion); Line 8—Ocean Marine; Line 9—Inland Marine; Line 16—Workers' Compensation; Line 17—Other Liability; Line 18—Products Liability; Line 22—Aircraft (all perils); and Line 27—Boiler and Machinery; and

(a) An insurer or insurers not having control over another insurer under § 50.5(c)(2)(i) or (c)(2)(ii) may make a written submission to Treasury to rebut a presumption of controlling influence under § 50.5(c)(4)(i) through (iv)

or otherwise to request a determination of controlling influence. Such submissions shall be made to the Terrorism Risk Insurance Program Office, Department of the Treasury, Suite 2110, 1425 New York Ave NW, Washington, D.C. 20220. The submission should be entitled, "Controlling Influence Submission," and should provide the full name and address of the submitting insurer(s) and the name, title, address and telephone number of the designated contact person(s) for such insurer(s).

(c) An insurer or insurers must provide all relevant facts and circumstances concerning the relationship(s) between or among the affected insurers and the control factors in § 50.5(c)(4)(i) through (iv); and must explain in detail any basis for why the insurer believes that no controlling influence exists (if a presumption is being rebutted) in light of the particular facts and circumstances, as well as the Act's language, structure and purpose. The determination shall set forth Treasury's basis for its determination.

Subpart B—Disclosures as Conditions for Federal Payment

SOURCE: 68 FR 19306, Apr. 18, 2003, unless otherwise noted.

§ 50.10 General disclosure requirements.

(a) *All policies.* As a condition for federal payments under section 103(b) of the Act, the Act requires that an insurer provide clear and conspicuous disclosure to the policyholder of:

(1) The premium charged for insured losses covered by the Program; and

§ 50.11

(2) The federal share of compensation for insured losses under the Program.

(b) *Policies in force on the date of enactment.* For policies issued before November 26, 2002, the disclosure required by the Act must be provided within 90 days of November 26, 2002 (no later than February 24, 2003).

(c) *Policies issued within 90 days of the date of enactment.* For policies issued within the 90-day period beginning on November 26, 2002 through February 24, 2003, the disclosure required by the Act must be provided at the time of offer, purchase, and renewal of the policy.

(d) *Policies issued more than 90 days after the date of enactment.* For policies issued on or after February 25, 2003, the disclosure required by the Act must be made on a separate line item in the policy, at the time of offer, purchase, and renewal of the policy. For policies issued in late 2005 with coverage extending into 2006, see § 50.12(e)(2).

[68 FR 19306, Apr. 18, 2003, as amended at 71 FR 27570, May 11, 2006]

§ 50.11 Definition.

For purposes of this subpart, unless the context indicates otherwise, the term “disclosure” or “disclosures” refers to the disclosure described in section 103(b)(2) of the Act and § 50.10. The term “cap disclosure” refers to the disclosure required by section 103(b)(3) of the Act and § 50.15.

[73 FR 53364, Sept. 16, 2008]

§ 50.12 Clear and conspicuous disclosure.

(a) *General.* Whether a disclosure is clear and conspicuous depends on the totality of the facts and circumstances of the disclosure. See § 50.17 for model forms.

(b)(1) *Description of premium.* An insurer may describe the premium charged for insured losses covered by the Program as a portion or percentage of an annual premium, if consistent with standard business practice. An insurer may not describe the premium in a manner that is misleading in the context of the Program, such as by characterizing the premium as a “surcharge.”

(2) *Premium to reflect definition of act of terrorism.* If an insurer makes an initial offer of coverage, or offers to renew

31 CFR Subtitle A (7–1–10 Edition)

an existing policy on or after December 26, 2007, the disclosure provided to the policyholder must reflect the premium charged for insured losses covered by the Act, consistent with the definition of an act of terrorism as amended by the Terrorism Risk Insurance Program Reauthorization Act of 2007, Public Law 110–160, 121 Stat. 1839.

(c) *Method of disclosure.* An insurer may provide disclosures using normal business practices, including forms and methods of communication used to communicate similar policyholder information to policyholders.

(d) *Use of producer.* If an insurer normally communicates with a policyholder through an insurance producer or other intermediary, an insurer may provide disclosures through such producer or other intermediary. If an insurer elects to make the disclosures through an insurance producer or other intermediary, the insurer remains responsible for ensuring that the disclosures are provided by the insurance producer or other intermediary to policyholders in accordance with the Act.

(e) *Demonstration of compliance.* (1) An insurer may demonstrate that it has satisfied the requirement to provide clear and conspicuous disclosure as described in § 50.10 through use of appropriate systems and normal business practices that demonstrate a practice of compliance.

(2) If an insurer made available coverage for insured losses in a new policy or policy renewal in Program Year 3 for coverage becoming effective in Program Year 4, but did not provide a disclosure at the time of offer, purchase or renewal, then the insurer must be able to demonstrate to Treasury’s satisfaction that it has provided a disclosure as soon as possible following January 1, 2006.

(3) If an insurer made available coverage for insured losses in a new policy or policy renewal in 2007 or in the first three months of 2008 for coverage becoming effective in 2008, but did not provide a disclosure at the time of offer, purchase or renewal of the policy, then the insurer must be able to demonstrate to Treasury’s satisfaction that it has provided a disclosure as soon as possible following January 1, 2008.

(f) *Certification of compliance.* An insurer must certify that it has complied with the requirement to provide disclosure to the policyholder on all policies that form the basis for any claim that is submitted by an insurer for federal payment under the Program.

[68 FR 19306, Apr. 18, 2003, as amended at 68 FR 59727, Oct. 17, 2003; 71 FR 27570, May 11, 2006; 73 FR 53364, Sept. 16, 2008]

§ 50.13 Offer, purchase, and renewal.

An insurer is deemed to be in compliance with the requirement of providing disclosure “at the time of offer, purchase, and renewal of the policy” under § 50.10(c) and (d) if the insurer:

(a) Makes the disclosure no later than the time the insurer first formally offers to provide insurance coverage or renew a policy for a current policyholder; and

(b) Makes clear and conspicuous reference back to that disclosure, as well as the final terms of terrorism insurance coverage, at the time the transaction is completed.

§ 50.14 Separate line item.

An insurer is deemed to be in compliance with the requirement of providing disclosure on a “separate line item in the policy” under § 50.10(d) if the insurer makes the disclosure:

(a) On the declarations page of the policy;

(b) Elsewhere within the policy itself; or

(c) In any rider or endorsement, or other document that is made a part of the policy.

[68 FR 59727, Oct. 17, 2003]

§ 50.15 Cap disclosure.

(a) *General.* Under section 103(e)(2) of the Act, if the aggregate insured losses exceed \$100,000,000,000 during any Program Year, the Secretary shall not make any payment for any portion of the amount of such losses that exceeds \$100,000,000,000, and no insurer that has met its insurer deductible shall be liable for the payment of any portion of the amount of such losses that exceeds \$100,000,000,000.

(b) *Other requirements.* As a condition for federal payments under section 103(b) of the Act, in the case of any pol-

icy that is issued after December 26, 2007, an insurer must provide clear and conspicuous disclosure to the policyholder of the existence of the \$100,000,000,000 cap under section 103(e)(2). The cap disclosure must be made at the time of offer, purchase, and renewal of the policy.

(c) *Demonstration of compliance.* For policies issued after December 26, 2007, if an insurer does not provide a cap disclosure by the time of the first offer, purchase or renewal of the policy after December 26, 2007, then the insurer must be able to demonstrate to Treasury’s satisfaction that it has provided the disclosure as soon as possible following December 26, 2007.

(d) *Other applicable rules.* The rules in § 50.12(a), (c), (d), (e)(1), and (f) (relating to clear and conspicuous disclosure) and in § 50.13 (relating to offer, purchase, and renewal) apply to the cap disclosure.

[73 FR 53364, Sept. 16, 2008]

§ 50.17 Use of model forms.

(a) *Policies in force on the date of enactment.* (1) An insurer that is required to make the disclosure under § 50.10(b) and that makes no change in the existing premium, is deemed to be in compliance with the disclosure requirement if it uses NAIC Model Disclosure Form No. 2.

(2) An insurer that is required to make the disclosure under § 50.10(b) and that makes a change in the existing premium, is deemed to be in compliance with the disclosure requirement if it uses NAIC Model Disclosure Form No. 1. Such an insurer may also use the same NAIC Model Disclosure Form No. 1 to comply with the notice requirement of section 105(c) of the Act. See § 50.18.

(b) *Policies issued within 90 days of the date of enactment.* An insurer that is required to make the disclosure under § 50.10(c) is deemed to be in compliance with the disclosure requirement if it uses either NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2, as long as the form used is modified as appropriate for the particular policy.

(c) *Policies issued more than 90 days after the date of enactment.* An insurer that is required to make the disclosure

§ 50.18

under § 50.10(d) may continue to use NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2 if appropriate, or other disclosures that meet the requirements of §§ 50.10(a) and 50.14 may be developed.

(d) *Not exclusive means of compliance.* An insurer is not required to use NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2 to satisfy the disclosure requirement. An insurer may use other means to comply with the disclosure requirement, as long as the disclosure comports with the requirements of the Act.

(e) *Cap disclosure.* An insurer may use NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2 dated December 19, 2007, or as subsequently modified in accordance with paragraph (f) of this section, to satisfy the cap disclosure requirement, or another disclosure that meets the requirements of § 50.15 may be developed.

(f) *Definitions.* For purposes of this section, references to NAIC Model Disclosure Form No. 1 and NAIC Model Disclosure Form No. 2 refer to such forms as were in existence on April 18, 2003, or as subsequently modified by the NAIC, provided Treasury has stated that usage by insurers of the subsequently modified forms is deemed to satisfy the disclosure requirements of the Act and the insurer uses the most current forms that are available at the time of disclosure. These forms may be found on the Treasury Web site at <http://www.treasury.gov/trip>.

[68 FR 19306, Apr. 18, 2003, as amended at 71 FR 27570, May 11, 2006; 73 FR 53364, Sept. 16, 2008]

§ 50.18 Notice required by reinstatement provision.

(a) *Nullification of terrorism exclusion.* Any terrorism exclusion in a contract for property and casualty insurance that was in force on November 26, 2002, is void to the extent it excludes losses that would otherwise be insured losses.

(b) *Reinstatement of terrorism exclusion.* Notwithstanding paragraph (a) of this section, an insurer may reinstate a preexisting provision in a contract for property and casualty insurance that was in force on November 26, 2002, and that excludes coverage for an act of terrorism only if:

31 CFR Subtitle A (7–1–10 Edition)

(1) The insurer has received a written statement from the insured that affirmatively authorizes such reinstatement; or

(2) The insurer provided notice at least 30 days before any such reinstatement of the increased premium for such terrorism coverage and the rights of the insured with respect to such coverage, including the date upon which the exclusion would be reinstated if no payment is received, and the insured fails to pay any increased premium charged by the insurer for providing such terrorism coverage.

[68 FR 19306, Apr. 18, 2003, as amended at 68 FR 59727, Oct. 17, 2003]

§ 50.19 General disclosure requirements for State residual market insurance entities and State worker's compensation funds.

(a) *Policies in force on October 17, 2003, or renewed or issued on or before January 15, 2004.* For policies in force on October 17, 2003, or renewed or issued on or before January 15, 2004, the disclosure required by section 103(b) of the Act as a condition for Federal payment is waived for those State residual market insurance entities and State workers' compensation funds that since November 26, 2002, have not provided disclosures to policyholders, until January 15, 2004, after which disclosures are to be made to policyholders for policies then in force and subsequently issued.

(b) *Residual Market Mechanism Disclosure.* A State residual market insurance entity or State workers' compensation fund may provide the disclosures required by this subpart B to policyholders using normal business practices, including forms and methods of communication used to communicate similar policyholder information to policyholders. The disclosures may be made by the State residual market insurance entity or State workers' compensation fund itself, the individual insurers that participate in the State residual market insurance entity or a State workers' compensation fund, or its servicing carriers. The ultimate responsibility for ensuring that the disclosure requirements have been met rests with the insurer filing a claim under the Program.

(c) *Other requirements.* Except as provided in this section, all other disclosure requirements set out in this subpart B apply to State residual insurance market entities and State workers' compensation funds.

(d) *Prior safe harbor superseded.* This section supersedes the disclosure safe harbor provisions found at paragraph C.4 of the Interim Guidance issued by Treasury in a notice published on December 18, 2002, and published at 67 FR 78864 (December 26, 2002).

[68 FR 59719, Oct. 17, 2003]

Subpart C—Mandatory Availability

SOURCE: 68 FR 19307, Apr. 18, 2003, unless otherwise noted.

§ 50.20 General mandatory availability requirements.

(a) *Transition Period and Program Years 1 and 2—period ending December 31, 2004.* Under section 103(c) of the Act (unless the time is extended by the Secretary as provided in that section) during the period beginning on November 26, 2002 and ending on December 31, 2004 (the last day of Program Year 2), an insurer must:

(1) Make available, in all of its property and casualty insurance policies, coverage for insured losses; and

(2) Make available property and casualty insurance coverage for insured losses that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism.

(b) *Program Year 3—calendar year 2005.* In accordance with the determination of the Secretary announced June 18, 2004, an insurer must comply with paragraphs (a)(1) and (a)(2) of this section during Program Year 3.

(c) *Program Years 4 and 5—calendar years 2006 and 2007.* Under section 103(c) of the Act, an insurer must comply with paragraphs (a)(1) and (a)(2) of this section during Program Years 4 and 5.

(d) *Program Years thereafter.* Under section 103(c) of the Act, an insurer must comply with paragraphs (a)(1) and (a)(2) of this section during Program Years 2008 through 2014.

(e) *Beyond 2014.* Notwithstanding paragraph (a)(2) of this section and § 50.23(a), property and casualty insurance coverage for insured losses does not have to be made available beyond December 31, 2014, even if the policy period of insurance coverage for losses from events other than acts of terrorism extends beyond that date.

[71 FR 27570, May 11, 2006, as amended at 73 FR 53364, Sept. 16, 2008]

§ 50.21 Make available.

(a) *General.* The requirement to make available coverage as provided in § 50.20 applies to policies in existence on November 26, 2002, and new policies issued and renewals of existing policies during the period beginning on November 26, 2002 and ending on December 31, 2002, and in any Program Year thereafter. Except as provided in paragraph (c) of this section, the requirement applies at the time an insurer makes the initial offer of coverage as well as at the time an insurer makes an initial offer of renewal of an existing policy.

(b) *Offer consistent with amended definition of act of terrorism.* An insurer must make available coverage for insured losses in a policy of property and casualty insurance consistent with the definition of an act of terrorism as amended by the Terrorism Risk Insurance Program Reauthorization Act of 2007 beginning with the first initial offer of coverage or offer of renewal of the policy made on or after December 26, 2007. Notwithstanding this requirement, if an insurer makes an offer of coverage on or after December 26, 2007 on a policy that is in mid term, then the insurer must make available coverage for insured losses consistent with the definition of an act of terrorism.

(c) *Rules concerning extension of Program.* (1) *Special Program Year 4 requirement for certain new policies issued and renewals of existing policies in Program Year 3.* If coverage for insured losses under a policy of property and casualty insurance (as defined by the Act, as amended) expired as of December 31, 2005, but the remainder of coverage under the policy continued in force in Program Year 4, then an insurer must make available coverage as provided in § 50.20 for insured losses for the remaining portion of the policy term in the

§ 50.21

manner specified in paragraphs (e)(1) and (e)(2) of this section. This requirement does not apply if during Program Year 3 a policyholder declined an offer of coverage for insured losses made at the time of the initial offer of coverage or offer of renewal of the existing policy.

(2) *Special 2008 requirement for certain policies where coverage expired.* If coverage for insured losses under a policy of property and casualty insurance expired as of December 31, 2007, but the remainder of coverage under the policy continued in force in 2008, then an insurer must make available coverage as provided in § 50.20 for insured losses for the remaining portion of the policy term in the manner specified in paragraphs (e)(1) and (e)(4) of this section. However, if a policyholder declined an offer made by an insurer for such coverage expiring as of December 31, 2007, then the insurer is not required to make a new offer of coverage for insured losses before any offer of renewal.

(d) *Changes negotiated subsequent to initial offer.* If an insurer satisfies the requirement to “make available” coverage as described in § 50.20 by first making an offer with coverage for insured losses that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism, which the policyholder declines, the insurer may negotiate with the policyholder an option of partial coverage for insured losses at a lower amount of coverage if permitted by any applicable State law. An insurer is not required by the Act to offer partial coverage if the policyholder declines full coverage. See § 50.24.

(e) *Demonstrations of compliance.* (1) *No contract.* If an insurer makes an offer of insurance but no contract of insurance is concluded, the insurer may demonstrate that it has satisfied the requirement to make available coverage as described in § 50.20 through use of appropriate systems and normal business practices that demonstrate a practice of compliance.

(2) *Policy periods beginning in Program Year 3.* If an insurer must make available coverage for insured losses as re-

31 CFR Subtitle A (7–1–10 Edition)

quired by paragraph (c)(1) of this section for a policy whose coverage period began in Program Year 3 but extends into Program Year 4, then the insurer must be able to demonstrate to Treasury’s satisfaction that it has offered such coverage by January 1, 2006, or as soon as possible following that date.

(3) *Coverage becoming effective in Program Year 4.* If an insurer processed a new policy or policy renewal in Program Year 3 for coverage becoming effective in Program Year 4, but did not make available coverage for insured losses as required by § 50.20 by January 1, 2006, then the insurer must be able to demonstrate to Treasury’s satisfaction that it has provided an offer of coverage for insured losses as soon as possible following that date.

(4) *Coverage expired as of December 31, 2007.* If an insurer must make available coverage for insured losses under the circumstances described in paragraph (c)(2) of this section, the insurer must be able to demonstrate to Treasury’s satisfaction that it has offered such coverage as soon as possible following January 1, 2008.

(5) *Coverage becoming effective in 2008.* (i) *No coverage.* If an insurer processed a new policy or policy renewal in 2007 or in the first three months of 2008 for coverage becoming effective in 2008, but did not make available coverage for insured losses as required by § 50.20(a), then the insurer must be able to demonstrate to Treasury’s satisfaction that it has provided an offer of coverage for insured losses as soon as possible following January 1, 2008.

(ii) *Not consistent with amended definition of act of terrorism.* If an insurer made an initial offer of coverage or offer of renewal on or after December 26, 2007 for a policy term becoming effective in 2008, and made available coverage for insured losses, but the scope of the coverage for insured losses in the offer was not consistent with the definition of an act of terrorism as amended by the Terrorism Risk Insurance Program Reauthorization Act of 2007, then the insurer must be able to demonstrate to Treasury’s satisfaction

that it has provided a new offer of coverage as soon as possible following January 1, 2008. If an insurer made an initial offer of coverage or offer of renewal before December 26, 2007, for a policy term becoming effective in 2008, and the insurer made available coverage for insured losses in compliance with the Act and the definition of an act of terrorism in effect at the time of the offer, then the insurer is not required to make a new offer of coverage before the policy is due to be renewed by its terms, regardless of whether the offer was accepted or rejected.

[73 FR 53364, Sept. 16, 2008]

§ 50.23 No material difference from other coverage.

(a) *Terms, amounts, and other coverage limitations.* As provided in § 50.20(a)(2), an insurer must offer coverage for insured losses resulting from an act of terrorism that does not differ materially from the terms, amounts, and other coverage limitations (including deductibles) applicable to losses from other perils. For purposes of this requirement, “terms” excludes price.

(b) *Limitations on types of risk.* If an insurer does not cover all types of risks, then it is not required to cover the excluded risks in satisfying the requirement to make available coverage for losses resulting from an act of terrorism that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism. For example, if an insurer does not cover all types of risks, either because the insurer is outside of direct State regulatory oversight, or because a State permits certain exclusions for certain types of losses, such as nuclear, biological, or chemical events, then the insurer is not required to make such coverage available.

§ 50.24 Applicability of State law requirements.

(a) *General.* After satisfying the requirement to make available coverage for insured losses that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other

than acts of terrorism, if coverage is rejected an insurer may then offer coverage that is on different terms, amounts, or coverage limitations, as long as such an offer does not violate any applicable State law requirements.

(b) *Examples.* (1) If an insurer subject to State regulation first makes available coverage in accordance with § 50.20 and the State has a requirement that an insurer offer full coverage without any exclusion, then the requirement would continue to apply and the insurer may not subsequently offer less than full coverage or coverage with exclusions.

(2) If an insurer subject to State regulation first makes available coverage in accordance with § 50.20 and the State permits certain exclusions or allows for other limitations, or an insurance policy is not governed by State law requirements, then the insurer may subsequently offer limited coverage or coverage with exclusions.

Subpart D—State Residual Market Insurance Entities; Workers’ Compensation Funds

§ 50.30 General participation requirements.

(a) *Insurers.* As defined in § 50.5(f), all State residual market insurance entities and State workers’ compensation funds are insurers under the Program even if such entities do not receive direct earned premiums.

(b) *Mandatory Participation.* State residual market insurance entities and State workers’ compensation funds that meet the requirements of § 50.5(f) are mandatory participants in the Program subject to the rules issued in this Subpart.

(c) *Identification.* Treasury will release and maintain a list of State residual market insurance entities and State workers’ compensation funds at www.treasury.gov/trip. Procedures for providing comments and updates to that list will be posted with the list.

§ 50.33

§ 50.33 Entities that do not share profits and losses with private sector insurers.

(a) *Treatment.* A State residual market insurance entity or a State workers' compensation fund that does not share profits and losses with a private sector insurer is deemed to be a separate insurer under the Program.

(b) *Premium calculation.* A State residual market insurance entity or a State workers' compensation fund that is deemed to be a separate insurer should follow the guidelines specified in § 50.5(d)(1) or 50.5(d)(2) for the purposes of calculating the appropriate measure of direct earned premium.

§ 50.35 Entities that share profits and losses with private sector insurers.

(a) *Treatment.* A State residual market insurance entity or a State workers' compensation fund that shares profits and losses with a private sector insurer is not deemed to be a separate insurer under the Program.

(b) *Premium and loss calculation.* A State residual market insurance entity or a State workers' compensation fund that is not deemed to be a separate insurer should continue to report, in accordance with normal business practices, to each participant insurer its share of premium income and insured losses, which shall then be included respectively in the participant insurer's direct earned premium or insured loss calculations.

§ 50.36 Allocation of premium income associated with entities that do share profits and losses with private sector insurers.

(a) *Servicing Carriers.* For purposes of this Subpart, a servicing carrier is an insurer that enters into an agreement to place and service insurance contracts for a State residual market insurance entity or a State workers' compensation fund and to cede premiums associated with such insurance contracts to the State residual market insurance entity or State workers' compensation fund. Premiums written by a servicing carrier on behalf of a State residual market insurance entity

or State workers' compensation fund that are ceded to such an entity or fund shall not be included as direct earned premium (as described in § 50.5(d)(1) or 50.5(d)(2)) of the servicing carrier.

(b) *Participant Insurers.* For purposes of this Subpart, a participant insurer is an insurer that shares in the profits and losses of a State residual market insurance entity or a State workers' compensation fund. Premium income that is distributed to or assumed by participant insurers in a State residual market insurance entity or State workers' compensation fund (whether directly or as quota share insurers of risks written by servicing carriers), shall be included in direct earned premium (as described in § 50.5(d)(1) or 50.5(d)(2)) of the participant insurer.

Subpart E—Self-Insurance Arrangements; Captives [Reserved]

Subpart F—Claims Procedures

§ 50.50 Federal share of compensation.

(a) *General.* (1) The Treasury will pay the Federal share of compensation for insured losses as provided in section 103 of the Act once a Certification of Loss required by § 50.53 is deemed sufficient. The Federal share of compensation under the Program shall be:

(i) 90 percent of that portion of the insurer's aggregate insured losses that exceed its insurer deductible during each Program Year through Program Year 4, and

(ii) 85 percent of that portion of the insurer's aggregate insured losses that exceed its insurer deductible during Program Year 5 and any Program Year thereafter.

(2) The percentages in paragraphs (a)(1)(i) and (ii) are both subject to any adjustments in § 50.51 and the cap of \$100 billion as provided in section 103(e)(2) of the Act.

(b) *Program Trigger amounts.* Notwithstanding paragraph (a) or anything in this Subpart to the contrary, no Federal share of compensation will be paid by Treasury unless the aggregate industry insured losses resulting from a certified act of terrorism occurring

Office of the Secretary of the Treasury

§ 50.51

after March 31, 2006 exceed the following amounts:

(1) For a certified act of terrorism occurring after March 31, 2006 and before January 1, 2007: \$50 million;

(2) For a certified act of terrorism occurring in 2007 and any Program Year thereafter: \$100 million.

(c) *Insured losses after March 31, 2006.* For all purposes of subpart F, insured loss or insured losses or aggregate insured losses resulting from acts of terrorism after March 31, 2006 shall be limited to those insured losses resulting from Program Trigger events.

(d) *Conditions for payment of Federal share.* Subject to paragraph (e) of this section, Treasury shall pay the appropriate amount of the Federal share of compensation to an insurer upon a determination that:

(1) The insurer is an entity, including an affiliate thereof, that meets the requirements of § 50.5(f);

(2) The insurer's insured losses, as defined in § 50.5(e) and limited by § 50.50(c) (including the allocated dollar value of the insurer's proportionate share of insured losses from a State residual market insurance entity or State workers' compensation fund as described in § 50.35), have exceeded its insurer deductible as defined in § 50.5(g);

(3) The insurer has paid or is prepared to pay an underlying insured loss, based on a filed claim for the insured loss;

(4) Neither the insurer's claim for Federal payment nor any underlying claim for an insured loss is fraudulent, collusive, made in bad faith, dishonest or otherwise designed to circumvent the purposes of the Act and regulations;

(5) The insurer had provided a clear and conspicuous disclosure as required by §§ 50.10 through 50.19 and a cap disclosure as required by § 50.15;

(6) The insurer offered coverage for insured losses and the offer was accepted by the insured prior to the occurrence of the loss;

(7) The insurer took all steps reasonably necessary to properly and carefully investigate the underlying insured loss and otherwise processed the underlying insured loss using appropriate insurance business practices;

(8) The insured losses submitted for payment are within the scope of coverage issued by the insurer under the terms and conditions of the policies for commercial property and casualty insurance as defined in § 50.5(n); and

(9) The procedures specified in this Subpart have been followed and all conditions for payment have been met.

(e) *Adjustments.* Treasury may subsequently adjust, including requiring repayment of, any payment made under paragraph (d) of this section in accordance with its authority under the Act.

(f) *Suspension of payment for other insured losses.* Upon a determination by Treasury that an insurer has failed to meet any of the requirements for payment specified in paragraph (d) of this section for a particular insured loss, Treasury may suspend payment of the Federal share of compensation for all other insured losses of the insurer pending investigation and audit of the insurer's insured losses.

(g) *Aggregate industry losses.* Treasury will determine the amount of aggregate industry insured losses resulting from a certified act of terrorism. If such aggregate industry insured losses exceed the applicable Program Trigger amounts specified in paragraph (b) of this section, Treasury will publish notice in the FEDERAL REGISTER that the act of terrorism is a Program Trigger event.

[71 FR 27571, May 11, 2006, as amended at 73 FR 53365, Sept. 16, 2008]

§ 50.51 Adjustments to the Federal share of compensation.

(a) *Aggregate amount of insured losses.* The aggregate amount of insured losses of an insurer in a Program Year used to calculate the Federal share of compensation shall be reduced by any amounts recovered by the insurer as salvage or subrogation for its insured losses in the Program Year.

(b) *Amount of Federal share of compensation.* The Federal share of compensation shall be adjusted as follows:

(1) *No excess recoveries.* For any Program Year, the sum of the Federal share of compensation paid by Treasury to an insurer and the insurer's recoveries for insured losses from other sources shall not be greater than the insurer's aggregate amount of insured

§ 50.52

losses for acts of terrorism in that Program Year. Amounts recovered for insured losses in excess of an insurer's aggregate amount of insured losses in a Program Year shall be repaid to Treasury within 45 days after the end of the month in which total recoveries of the insurer, from all sources, become excess. For purposes of this paragraph, amounts recovered from a reinsurer pursuant to an agreement whereby the reinsurer's right to any excess recovery has priority over the rights of Treasury shall not be considered a recovery subject to repayment to Treasury.

(2) *Reduction of amount payable.* The Federal share of compensation for insured losses under the Program shall be reduced by the amount of other compensation provided by other Federal programs to an insured or a third party to the extent such other compensation duplicates the insurance indemnification for those insured losses.

(i) *Other Federal program compensation.* For purposes of this section, compensation provided by other Federal programs for insured losses means compensation that is provided by Federal programs established for the purpose of compensating persons for losses in the event of emergencies, disasters, acts of terrorism, or similar events. Compensation provided by Federal programs for insured losses excludes benefit or entitlement payments, such as those made under the Social Security Act, under laws administered by the Secretary of Veteran Affairs, railroad retirement benefit payments, and other similar types of benefit payments.

(ii) *Insurer due diligence.* Each insurer shall inquire of each of its policyholders, insureds, and claimants whether the person receiving insurance proceeds for an insured loss has received, expects to receive, or is entitled to receive compensation from another Federal program for the insured loss, and if so, the source and the amount of the compensation received or expected. The response, source, and such amounts shall be reported with each underlying claim on the bordereau specified in § 50.53(b)(1).

§ 50.52 Initial Notice of Insured Loss.

Each insurer shall submit to Treasury an Initial Notice of Insured Loss,

31 CFR Subtitle A (7-1-10 Edition)

on a form prescribed by Treasury, whenever the insurer's aggregate insured losses (including reserves for "incurred but not reported" losses) within a Program Year exceed an amount equal to 50 percent of the insurer's deductible as specified in § 50.5(g). Insurers are advised the form for the Initial Notice of Insured Loss will include an initial estimate of aggregate losses for the Program Year, the amount of the insurer deductible and an estimate of the Federal share of compensation for the insurer's aggregate insured losses. In the case of an affiliated group of insurers, the form for the Initial Notice of Insured Loss will include the name and address of a single designated insurer within the affiliated group that will serve as the single point of contact for the purpose of providing loss and compliance certifications as required in § 50.53 and for receiving, disbursing, and distributing payments of the Federal share of compensation in accordance with § 50.54. An insurer, at its option, may elect to include with its Initial Notice of Insured Loss the certification of direct earned premium required by § 50.53(b)(3).

§ 50.53 Loss certifications.

(a) *General.* When an insurer has paid aggregate insured losses that exceed its insurer deductible, the insurer may make claim upon Treasury for the payment of the Federal share of compensation for its insured losses. The insurer shall file an Initial Certification of Loss, on a form prescribed by Treasury, and thereafter such Supplementary Certifications of Loss, on a form prescribed by Treasury, as may be necessary to receive payment for the Federal share of compensation for its insured losses.

(b) *Initial Certification of Loss.* An insurer shall use its best efforts to file with the Program the Initial Certification of Loss within 45 days following the last calendar day of the month when an insurer has paid aggregate insured losses that exceed its insurer deductible. The Initial Certification of Loss will include the following:

(1) A bordereau, on a form prescribed by Treasury, that includes basic information about each underlying insured loss. For purposes of this section, a

“bordereau” is a report of basic information about an insurer’s underlying claims that, in the aggregate, constitute the insured losses of the insurer. The bordereau will include, but may not be limited to:

(i) A listing of each underlying insured loss by catastrophe code and line of business;

(ii) The total amount of reinsurance recovered from other sources;

(iii) A calculation of the aggregate insured losses sustained by the insurer above its insurer deductible for the Program Year; and

(iv) The amount the insurer claims as the Federal share of compensation for its aggregate insured losses.

(2) A certification that the insurer is in compliance with the provisions of section 103(b) of the Act and this part, including certifications that:

(i) The underlying insured losses listed on the bordereau filed pursuant to § 50.53(b)(1) either: Have been paid by the insurer; or will be paid by the insurer upon receipt of an advance payment of the Federal share of compensation as soon as possible, consistent with the insurer’s normal business practices, but not longer than five business days after receipt of the Federal share of compensation;

(ii) The underlying claims for insured losses were filed by persons who suffered an insured loss, or by persons acting on behalf of such persons;

(iii) The underlying claims for insured losses were processed in accordance with appropriate business practices and the procedures specified in this subpart;

(iv) The insurer has complied with the disclosure requirements of §§ 50.10 through 50.19, and the cap disclosure requirement of § 50.15, for each underlying insured loss that is included in the amount of the insurer’s aggregate insured losses; and

(v) The insurer has complied with the mandatory availability requirements of §§ 50.20 through 50.24.

(3) A certification of the amount of the insurer’s “direct earned premium” as defined in § 50.5(d), together with the calculation of its “insurer deductible” as defined in § 50.5(g) (provided this certification was not submitted previously

with the Initial Notice of Insured Loss specified in § 50.52).

(4) A certification that the insurer will disburse payment of the Federal share of compensation in accordance with this subpart.

(5) A certification that if Treasury has determined a *Pro rata* Loss Percentage (PRLP) (see § 50.92), the insurer has complied with applying the PRLP to insured loss payments, where required.

(c) *Supplementary Certification of Loss.* If the total amount of the Federal share of compensation due an insurer for insured losses under the Act has not been determined at the time an Initial Certification of Loss has been filed, the insurer shall file monthly, or on a schedule otherwise determined by Treasury, Supplementary Certifications of Loss updating the amount of the Federal share of compensation owed for the insurer’s insured losses. Supplementary Certifications of Loss will include the following:

(1) A bordereau described in § 50.53(b)(1); and

(2) A certification as described in § 50.53(b)(2).

(d) *Supplementary information.* In addition to the information required in paragraphs (b) and (c) of this section, Treasury may require such additional supporting documentation as required to ascertain the Federal share of compensation for the insured losses of any insurer.

(e) *State Residual Market Insurance Entities and State Workers’ Compensation Funds.* A State residual market insurance entity or State workers’ compensation fund described in § 50.35 shall provide the Certifications of Loss described in §§ 50.53(b) and 50.53(c) for all its insured losses to each participating insurer at the time it provides the allocated dollar value of the participating insurer’s proportionate share of insured losses. In addition, at such time the State residual market insurance entity or State workers’ compensation fund shall provide the certification described in § 50.53(b)(2) to Treasury. Participating insurers shall treat the allocated dollar value of their proportionate share of insured losses from a State residual market insurance entity or State workers’ compensation fund

§ 50.54

as an insured loss for the purpose of their own reporting to Treasury in seeking the Federal share of compensation.

[68 FR 9811, Feb. 28, 2003, as amended at 73 FR 53365, Sept. 16, 2008; 74 FR 66067, Dec. 14, 2009]

§ 50.54 Payment of Federal share of compensation.

(a) *Timing.* Treasury will promptly pay to an insurer the Federal share of compensation due the insurer for its insured losses. Payment shall be made in such installments and on such conditions as determined by the Treasury to be appropriate. Any overpayments by Treasury of the Federal share of compensation will be offset from future payments to the insurer or returned to Treasury within 45 days.

(b) *Payment process.* Payment of the Federal share of compensation for insured losses will be made to the insurer designated on the Initial Notice of Loss required by § 50.52. An insurer that requests payment of the Federal share of compensation for insured losses must receive payment through electronic funds transfer. The insurer must establish either an account for reimbursement as described in paragraph (c) of this section (if the insurer only seeks reimbursement) or a segregated account as described in paragraph (d) of this section (if the insurer seeks advance payments or a combination of advance payments and reimbursement). Applicable procedures will be posted at www.treasury.gov/trip or otherwise will be made publicly available.

(c) *Account for reimbursement.* An insurer shall designate an account for the receipt of reimbursement of the Federal share of compensation at an institution eligible to receive payments through the Automated Clearing House (ACH) network.

(d) *Segregated account for advance payments.* An insurer that seeks advance payments of the Federal share of compensation as certified according to § 50.53(b)(2)(i)(B) shall establish an interest-bearing segregated account into which Treasury will make advance payments as well as reimbursements to the insurer.

(1) *Definition of segregated account.* For purposes of this section, a seg-

31 CFR Subtitle A (7–1–10 Edition)

regated account is an interest-bearing separate account established by an insurer at a financial institution eligible to receive payments through the ACH network. Such an account is limited to the purposes of:

(i) Receiving payments of the Federal share of compensation;

(ii) Disbursing payments to insureds and claimants; and

(iii) Transferring payments to the insurer or affiliated insurers for insured losses reported on the bordereau as already paid.

(2) *Remittance of interest.* All interest earned on advance payments in the segregated account must be remitted at least quarterly to Treasury's Office of Financial Management or as otherwise prescribed in applicable procedures.

(e) *Denial or withholding of advance payment.* Treasury may deny or withhold advance payments of the Federal share of compensation to an insurer if Treasury determines that the insurer has not properly disbursed previous advances of the Federal share of compensation or otherwise has not complied with the requirements for advance payment as provided in this subpart.

(f) *Affiliated group.* In the case of an affiliated group of insurers, Treasury will make payment of the Federal share of compensation for the insured losses of the affiliated group to the insurer designated in the Initial Notice of Insured Loss to receive payment on behalf of the affiliated group. The designated insurer receiving payment from Treasury must distribute payment to affiliated insurers in a manner that ensures that each insurer in the affiliated group is compensated for its share of insured losses, taking into account a reasonable and fair allocation of the group deductible among affiliated insurers. Upon payment of the Federal share of compensation to the designated insurer, Treasury's payment obligation to the insurers in the affiliated group with respect to any insured losses covered on the applicable bordereau is discharged to the extent of the payment.

§ 50.55 Determination of Affiliations.

For the purposes of subpart F, an insurer's affiliates for any Program Year shall be determined by the circumstances existing on the date of occurrence of the act of terrorism that is the first act of terrorism in a Program Year to be certified by the Secretary for that Program Year. Provided, however, if such act of terrorism occurs after March 31, 2006, the act of terrorism must also be a Program Trigger event to determine affiliations as provided in this section.

Subpart G—Audit and Investigative Procedures

§ 50.60 Audit authority.

The Secretary of the Treasury, or an authorized representative, shall have, upon reasonable notice, access to all books, documents, papers and records of an insurer that are pertinent to amounts paid to the insurer as the Federal share of compensation for insured losses, or pertinent to any Federal Terrorism Policy Surcharge that is imposed pursuant to subpart H of this part, for the purpose of investigation, confirmation, audit and examination.

[74 FR 66058, Dec. 14, 2009]

§ 50.61 Recordkeeping.

(a) Each insurer that seeks payment of a Federal share of compensation under subpart F of this part shall retain such records as are necessary to fully disclose all material matters pertinent to insured losses and the Federal share of compensation sought under the Program, including, but not limited to, records regarding premiums and insured losses for all commercial property and casualty insurance issued by the insurer and information relating to any adjustment in the amount of the Federal share of compensation payable. Insurers shall maintain detailed records for not less than five (5) years from the termination dates of all reinsurance agreements involving commercial property and casualty insurance subject to the Act. Records relating to premiums shall be retained and available for review for not less than three

(3) years following the conclusion of the policy year. Records relating to underlying claims shall be retained for not less than five (5) years following the final adjustment of the claim.

(b) Each insurer that collects a Federal Terrorism Policy Surcharge as required by subpart H of this part shall retain records related to such Surcharge, including records of the property and casualty insurance premiums subject to the Surcharge, the amount of the Surcharge imposed on each policy, aggregate Federal Terrorism Policy Surcharges collected, and aggregate Federal Terrorism Policy Surcharges remitted to Treasury during each assessment period. Such records shall be retained and kept available for review for not less than three (3) years following the conclusion of the assessment period or settlement of accounts with Treasury, whichever is later.

Subpart H—Recoupment and Surcharge Procedures

SOURCE: 74 FR 66059, Dec. 14, 2009, unless otherwise noted.

§ 50.70 Mandatory and discretionary recoupment.

(a) Pursuant to section 103 of the Act, the Secretary shall impose, and insurers shall collect, such Federal Terrorism Policy Surcharges as needed to recover 133 percent of the mandatory recoupment amount for any Program Year.

(b) In the Secretary's discretion, the Secretary may recover any portion of the aggregate Federal share of compensation that exceeds the mandatory recoupment amount through a Federal Terrorism Policy Surcharge based on the factors set forth in section 103(e)(7)(D) of the Act.

(c) If the Secretary is required to impose a Federal Terrorism Policy Surcharge as provided in paragraph (a) of this section, then the required amounts, based on the extent to which payments for the Federal share of compensation have been made by the collection deadlines in section 103(e)(7)(E) of the Act, shall be collected in accordance with such deadlines:

§ 50.71

(1) For any act of terrorism that occurs on or before December 31, 2010, the Secretary shall collect all required amounts by September 30, 2012;

(2) For any act of terrorism that occurs between January 1 and December 31, 2011, the Secretary shall collect 35 percent of any required amounts by September 30, 2012, and the remainder by September 30, 2017; and

(3) For any act of terrorism that occurs on or after January 1, 2012, the Secretary shall collect all required amounts by September 30, 2017.

§ 50.71 Determination of recoupment amounts.

(a) If payments for the Federal share of compensation have been made for a Program Year, and Treasury determines that insured loss information is sufficiently developed and credible to serve as a basis for calculating recoupment amounts, Treasury will make an initial determination of any mandatory or discretionary recoupment amounts for that Program Year.

(b)(1) Within 90 days after certification of an act of terrorism, the Secretary shall publish in the FEDERAL REGISTER an estimate of aggregate insured losses which shall be used as the basis for initially determining whether mandatory recoupment will be required.

(2) If at any time Treasury projects that payments for the Federal share of compensation will be made for a Program Year, and that in order to meet the collection timing requirements of section 103(e)(7)(E) of the Act it is necessary to use an estimate of such payments as a basis for calculating recoupment amounts, Treasury will make an initial determination of any mandatory recoupment amounts for that Program Year.

(c) Following the initial determination of recoupment amounts for a Program Year, Treasury will recalculate any mandatory or discretionary recoupment amount as necessary and appropriate, and at least annually, until a final recoupment amount for the Program Year is determined. Treasury will compare any recalculated recoupment amount to amounts already remitted and/or to be

31 CFR Subtitle A (7–1–10 Edition)

remitted to Treasury for a Federal Terrorism Policy Surcharge previously established to determine whether any additional amount will be recouped by Treasury.

(d) For the purpose of determining initial or recalculated recoupment amounts, Treasury may issue a data call to insurers for insurer deductible and insured loss information by Program Year. Treasury's determination of the aggregate amount of insured losses from Program Trigger Events of all insurers for a Program Year will be based on the amounts reported in response to a data call and any other information Treasury in its discretion considers appropriate. Submission of data in response to a data call shall be on a form promulgated by Treasury.

§ 50.72 Establishment of Federal Terrorism Policy Surcharge.

(a) Treasury will establish the Federal Terrorism Policy Surcharge based on the following factors and considerations:

(1) In the case of a mandatory recoupment amount, the requirement to collect 133 percent of that amount;

(2) The total dollar amount to be recouped as a percentage of the latest available annual aggregate industry direct written premium information;

(3) The adjustment factors for terrorism loss risk-spreading premiums described in section 103(e)(8)(D) of the Act;

(4) The annual 3 percent limitation on terrorism loss risk-spreading premiums collected on a discretionary basis as provided in section 103(e)(8)(C) of the Act;

(5) A preferred minimum initial assessment period of one full year and subsequent extension periods in full year increments;

(6) The collection timing requirements of section 103(e)(7)(E) of the Act;

(7) The likelihood that the amount of the Federal Terrorism Policy Surcharge may result in the collection of an aggregate recoupment amount in excess of the planned recoupment amount; and

(8) Such other factors as the Secretary considers important.

(b) The Federal Terrorism Policy Surcharge shall be the obligation of

the policyholder and is payable to the insurer with the premium for a property and casualty insurance policy in effect during the assessment period established by Treasury. *See* § 50.74(c).

§ 50.73 Notification of recoupment.

(a) Treasury will provide notifications of recoupment through publication of notices in the FEDERAL REGISTER or in another manner Treasury deems appropriate, based upon the circumstances of the act of terrorism under consideration.

(b) Treasury will provide reasonable advance notice to insurers of any initial Federal Terrorism Policy Surcharge effective date. This effective date shall be January 1, unless such date would not provide for sufficient notice of implementation while meeting the collection timing requirements of section 103(e)(7)(E) of the Act.

(c) Treasury will provide reasonable advance notice to insurers of any modification or cessation of the Federal Terrorism Policy Surcharge.

(d) Treasury will provide notification to insurers annually as to the continuation of the Federal Terrorism Policy Surcharge.

§ 50.74 Collecting the Surcharge.

(a) Insurers shall collect a Federal Terrorism Policy Surcharge from policyholders as required by Treasury.

(b) Policies subject to the Federal Terrorism Policy Surcharge are those for which direct written premium is reported on commercial lines of business on the NAIC's Exhibit of Premiums and Losses of the NAIC Annual Statement (commonly known as Statutory Page 14) as provided in § 50.5(u)(1), or equivalently reported.

(c) For policies subject to the Federal Terrorism Policy Surcharge, the Surcharge shall be imposed and collected on a written premium basis for policies that incept or renew during the assessment period. All new, renewal, mid-term, and audit premiums for a policy term are subject to the Surcharge in effect on the policy term effective date. Notwithstanding this paragraph, if the premium for a policy term that would otherwise be subject to the Surcharge is revised after the end of the reporting period described in § 50.75(e), then any

additional premium attributable to such revision is not subject to the Surcharge. For purposes of this subpart:

(1) Written premium basis means the premium amount charged a policyholder by an insurer for property and casualty insurance as defined in § 50.5(u), including all premiums, policy expense constants and fees defined as premium pursuant to the Statements of Statutory Accounting Principles established by the National Association of Insurance Commissioners, as adopted by the state for which the premium will be reported.

(2) In the case of a policy providing multiple insurance coverages, if an insurer cannot identify the premium amount charged a policyholder specifically for property and casualty insurance under the policy, then:

(i) If the insurer estimates that the portion of the premium amount charged for coverage other than property and casualty insurance is *de minimis* to the total premium for the policy, the insurer may impose and collect from the policyholder a Surcharge amount based on the total premium for the policy, but

(ii) If the insurer estimates that the portion of the premium amount charged for coverage other than property and casualty insurance is not *de minimis*, the insurer shall impose and collect from the policyholder a Surcharge amount based on a reasonable estimate of the premium amount for the property and casualty insurance coverage under the policy.

(3) The Federal Terrorism Policy Surcharge is not considered premium.

(d) A policyholder must pay the applicable Federal Terrorism Policy Surcharge when due. The insurer shall have such rights and remedies to enforce the collection of the Surcharge that are the equivalent to those that exist under applicable state or other law for nonpayment of premium.

(e) When an insurer returns an unearned premium, or otherwise refunds premium to a policyholder, it shall also return any Federal Terrorism Policy Surcharge collected that is attributable to the refunded premium. Notwithstanding this paragraph, if the written premium for a policy is revised

§ 50.75

and refunded after the end of the reporting period described in § 50.75(e), then the insurer is not required to refund any Surcharge that is attributable to the refunded premium.

(f) Notwithstanding paragraphs (a), (b), and (c) of this section, if the expense of collecting the Federal Terrorism Policy Surcharge from all policyholders of an insurer during an assessment period exceeds the amount of the Surcharges anticipated to be collected, such insurer may satisfy its obligation to collect by omitting actual collection and instead remitting to Treasury the amount otherwise due.

(g) The Federal Terrorism Policy Surcharge is repayment of Federal financial assistance in an amount required by law. No fee or commission shall be charged on the Federal Terrorism Policy Surcharge.

§ 50.75 Remitting the surcharge.

(a) Each insurer shall provide a statement of direct written premium and Federal Terrorism Policy Surcharge to Treasury on a monthly basis, starting with the first month within the assessment period, through November of the calendar year and on an annual basis as of the last month of the calendar year. Reporting will be on a form prescribed by Treasury and will be due according to the following schedule:

(1) For each month beginning in the first month of the assessment period through November, the last business day of the calendar month following the month for which premium is reported, and

(2) March 1 for the calendar year.

(b) The monthly statements provided to Treasury will include the following:

(1) Cumulative calendar year direct written premium adjusted for premium not subject to the Federal Terrorism Policy Surcharge, summarized by policy year.

(2) The aggregate Federal Terrorism Policy Surcharge amount calculated by applying the established Surcharge percentage to the insurer's adjusted direct written premium by policy year.

(3) Insurer certification of the submission.

(c) The annual statements to be provided to Treasury will include the following:

31 CFR Subtitle A (7-1-10 Edition)

(1) Direct written premium as defined in § 50.5(g), adjusted for premium not subject to the Federal Terrorism Policy Surcharge, summarized by policy year and by commercial line of insurance as specified in § 50.5(u).

(2) The aggregate Federal Terrorism Policy Surcharge amount calculated by applying the established Surcharge percentage to the insurer's adjusted direct written premium by policy year.

(3) In the case of an insurer that has chosen not to collect the Federal Terrorism Policy Surcharge from its policyholders as provided in § 50.74(f), a certification that the expense of collecting the Surcharge during the assessment period would have exceeded the amount of the Surcharges collected over the assessment period.

(4) Insurer certification of the submission.

(d) The calculated aggregate Federal Terrorism Policy Surcharge amount, as described in paragraphs (b)(2) and (c)(2) of this section, shall be remitted to Treasury upon submission of each monthly and annual statement. Through its submitted statements, an insurer obtains credit for a refund of any Federal Terrorism Policy Surcharge previously remitted to Treasury that was subsequently returned by the insurer to a policyholder as attributable to refunded premium under § 50.74(e). A negative calculated amount in a monthly or annual statement indicates payment from Treasury is due to the insurer.

(e) Reporting shall continue for the one-year period following the end of the assessment period established by Treasury, unless otherwise permitted by Treasury.

§ 50.76 Insurer responsibility.

Subpart I—Federal Cause of Action; Approval of Settlements

SOURCE: 69 FR 44941, July 28, 2004, unless otherwise noted.

Office of the Secretary of the Treasury

§ 50.82

§ 50.80 Federal cause of action and remedy.

(a) *General.* If the Secretary certifies an act as an act of terrorism pursuant to section 102 of the Act, there shall exist a Federal cause of action for property damage, personal injury, or death arising out of or resulting from such act of terrorism, pursuant to section 107 of the Act, which shall be the exclusive cause of action and remedy for claims for property damage, personal injury, or death arising out of or relating to such act of terrorism, except as provided in paragraph (c) of this section.

(b) *Effective period.* The exclusive Federal cause of action and remedy described in paragraph (a) of this section shall exist only for causes of action for property damage, personal injury, or death that arise out of or result from acts of terrorism that occur or occurred during the effective period of the Program.

(c) *Rights not affected.* Nothing in section 107 of the Act or this Subpart shall in any way:

(1) Limit the liability of any government, organization, or person who knowingly participates in, conspires to commit, aids and abets, or commits any act of terrorism;

(2) Affect any party's contractual right to arbitrate a dispute; or

(3) Affect any provision of the Air Transportation Safety and System Stabilization Act (Pub. L. 107-42; 49 U.S.C. 40101 note).

§ 50.81 State causes of action preempted.

All State causes of action of any kind for property damage, personal injury, or death arising out of or resulting from an act of terrorism that are otherwise available under State law are preempted, except that, pursuant to section 107(b) of the Act, nothing in this section shall limit in any way the liability of any government, organization, or person who knowingly participates in, conspires to commit, aids and abets, or commits the act of terrorism certified by the Secretary.

§ 50.82 Advance approval of settlements.

(a) *Mandatory submission of settlements for advance approval.* An insurer shall submit to Treasury for advance approval any proposed agreement to settle or compromise any Federal cause of action for property damage, personal injury, or death, asserted by a third-party or parties against an insured, involving an insured loss, all or part of the payment of which the insurer intends to submit as part of its claim for Federal payment under the Program, when:

(1) Any portion of the proposed settlement amount that is attributable to an insured loss or losses involving personal injury or death in the aggregate is \$2 million or more per third-party claimant, regardless of the number of causes of action or insured losses being settled; or

(2) Any portion of the proposed settlement amount that is attributable to an insured loss or losses involving property damage (including loss of use) in the aggregate is \$10 million or more per third-party claimant, regardless of the number of causes of action or insured losses being settled.

(b) *Discretionary review of other settlements.* Notwithstanding paragraph (a), Treasury may require that an insurer submit for review and advance approval any proposed agreement to settle or compromise any Federal cause of action for property damage, personal injury, or death, asserted by a third-party or parties against an insured, involving an insured loss, all or part of the payment of which the insurer intends to submit as part of its claim for Federal payment under the Program where the settlement amounts are below the applicable monetary thresholds identified in paragraphs (a)(1) and (2) of this section.

(c) *Factors.* In determining whether to approve a proposed settlement, Treasury will consider the nature of the loss, the facts and circumstances surrounding the loss, and other factors such as whether:

(1) The proposed settlement compensates for a third-party's loss, the liability for which is an insured loss under the terms and conditions of the underlying commercial property and

§ 50.83

casualty insurance policy, as certified by the insurer pursuant to § 50.83(d)(2);

(2) Any amount of the proposed settlement is attributable to punitive or exemplary damages intended to punish or deter (whether or not specifically so described as such damages);

(3) The settlement amount offsets amounts received from the United States pursuant to any other Federal program;

(4) The settlement amount does not include any items such as fees and expenses of attorneys, experts, and other professionals that have caused the insured losses under the underlying commercial property and casualty insurance policy to be overstated; and

(5) Any other criteria that Treasury may consider appropriate, depending on the facts and circumstances surrounding the settlement, including the information contained in § 50.83.

(d) *Settlement without seeking advance approval or despite disapproval.* If an insurer settles a cause of action or agrees to the settlement of a cause of action without submitting the proposed settlement for Treasury's advance approval in accordance with paragraph (a) or (b) of this section, and in accordance with § 50.83 or despite Treasury's disapproval of the proposed settlement, the insurer will not be entitled to include the paid settlement amount (or portion of the settlement amount, to the extent partially disapproved) in its aggregate insured losses for purposes of calculating the Federal share of compensation of its insured losses, unless the insurer can demonstrate, to the satisfaction of Treasury, extenuating circumstances.

§ 50.83 Procedure for requesting approval of proposed settlements.

(a) *Submission of notice.* Insurers must request advance approval of a proposed settlement by submitting a notice of the proposed settlement and other required information in writing to the Terrorism Risk Insurance Program Office or its designated representative. The address where notices are to be submitted will be available at <http://www.treasury.gov/trip> following any certification of an act of terrorism pursuant to section 102(1) of the Act.

31 CFR Subtitle A (7–1–10 Edition)

(b) *Complete notice.* Treasury will review requests for advance approval and determine whether additional information is needed to complete the notice.

(c) *Treasury response or deemed approval.* Within 30 days after Treasury's receipt of a complete notice, or as extended in writing by Treasury, Treasury may issue a written response and indicate its partial or full approval or rejection of the proposed settlement. If Treasury does not issue a response within 30 days after Treasury's receipt of a complete notice, unless extended in writing by Treasury, the request for advance approval is deemed approved by Treasury. Any settlement is still subject to review under the claim procedures pursuant to § 50.50.

(d) *Notice format.* A notice of a proposed settlement should be entitled, "Notice of Proposed Settlement—Request for Approval," and should provide the full name and address of the submitting insurer and the name, title, address, and telephone number of the designated contact person. An insurer must provide all relevant information, including the following, as applicable:

(1) A brief description of the insured's underlying claim, the insured's loss, the amount of the claim, the operative policy terms, defenses to coverage, and all damages sustained;

(2) A certification by the insurer that the settlement is for a third-party's loss the liability for which is an insured loss under the terms and conditions of the underlying commercial property and casualty insurance policy;

(3) An itemized statement of all damages by category (*i.e.*, actual, economic and non-economic loss, punitive damages, etc.);

(4) A statement from the insurer or its attorney in support of the settlement.;

(5) The total dollar amount of the proposed settlement;

(6) Indication as to whether the settlement was negotiated by counsel;

(7) The amount to be paid that will compensate for any items such as fees and expenses of attorneys, experts, and other professionals for their services and expenses related to the insured loss and/or settlement and the net amount

Office of the Secretary of the Treasury

§ 50.92

to be received by the third-party after such payment;

(8) The amount received from the United States pursuant to any other Federal program for compensation of insured losses related to an act of terrorism;

(9) The proposed terms of the written settlement agreement, including release language and subrogation terms;

(10) If requested by Treasury, other relevant agreements, including:

(i) Admissions of liability or insurance coverage;

(ii) Determinations of the number of occurrences under a commercial property and casualty insurance policy;

(iii) The allocation of paid amounts or amounts to be paid to certain policies, or to specific policy, coverage and/or aggregate limits; and

(iv) Any other agreement that may affect the payment or amount of the Federal share of compensation to be paid to the insurer;

(11) A statement indicating whether the proposed settlement has been approved by the Federal court or is subject to such approval and whether such approval is expected or likely; and

(12) Such other information that is related to the insured loss as may be requested by Treasury that it deems necessary to evaluate the proposed settlement.

§ 50.84 Subrogation.

An insurer shall not waive its rights of subrogation under its property and casualty insurance policy and preserve the subrogation right of the United States as provided by section 107(c) of the Act by not taking any action that would prejudice the United States' right of subrogation.

§ 50.85 Amendment related to settlement approval.

Section 107(a)(6) of the Act, added December 22, 2005, provides that procedures and requirements established by the Secretary under § 50.82 (as in effect on the date of issuance of that section in final form) shall apply to any cause of action described in section 107(a)(1) of the Act.

Subpart J—Cap on Annual Liability

SOURCE: 74 FR 66067, Dec. 14, 2009, unless otherwise noted.

§ 50.90 Cap on annual liability.

Pursuant to Section 103 of the Act, if the aggregate insured losses exceed \$100,000,000,000 during any Program Year:

(a) The Secretary shall not make any payment for any portion of the amount of such losses that exceeds \$100,000,000,000;

(b) No insurer that has met its insurer deductible shall be liable for the payment of any portion of the amount of such losses that exceeds \$100,000,000,000; and

(c) The Secretary shall determine the *pro rata* share of insured losses to be paid by each insurer that incurs insured losses under the Program.

§ 50.91 Notice to Congress.

Pursuant to section 103(e)(3) of the Act, the Secretary shall provide an initial notice to Congress within 15 days of the certification of an act of terrorism, stating whether the Secretary estimates that aggregate insured losses will exceed \$100,000,000,000 for the Program Year in which the event occurs. Such initial estimate shall be based on insured loss amounts as compiled by insurance industry statistical organizations and any other information the Secretary in his or her discretion considers appropriate. The Secretary shall also notify Congress if estimated or actual aggregate insured losses exceed \$100,000,000,000 during any Program Year.

§ 50.92 Determination of *pro rata* share.

(a) *Pro rata loss percentage (PRLP)* is the percentage determined by the Secretary to be applied by an insurer against the amount that would otherwise be paid by the insurer under the terms and conditions of an insurance policy providing property and casualty insurance under the Program if there were no cap on annual liability under section 103(e)(2)(A) of the Act.

§ 50.93

(b) Except as provided in paragraph (e) of this section, if Treasury estimates that aggregate insured losses may exceed the cap on annual liability for a Program Year, then Treasury will determine a PRLP. The PRLP applies to insured loss payments by insurers for insured losses incurred in the subject Program Year, as specified in § 50.93, from the effective date of the PRLP, as established by Treasury, until such time as Treasury provides notice that the PRLP is revised. Treasury will determine the PRLP based on the following considerations:

(1) Estimates of insured losses from insurance industry statistical organizations;

(2) Any data calls issued by Treasury (see § 50.94);

(3) Expected reliability and accuracy of insured loss estimates and likelihood that insured loss estimates could increase;

(4) Estimates of insured losses and expenses not included in available statistical reporting;

(5) Such other factors as the Secretary considers important.

(c) Treasury shall provide notice of the determination of the PRLP through publication in the FEDERAL REGISTER, or in another manner Treasury deems appropriate, based upon the circumstances of the act of terrorism under consideration.

(d) As appropriate, Treasury will determine any revision to a PRLP based on the same considerations listed in paragraph (b) of this section, and will provide notice for its application to insured loss payments.

(e) If Treasury estimates based on an initial act of terrorism or subsequent act of terrorism within a Program Year that aggregate insured losses may exceed the cap on annual liability, but an appropriate PRLP cannot yet be determined, Treasury will provide notification advising insurers of this circumstance and, after consulting with the relevant State authorities, may initiate the action described in either paragraph (e)(1) or (e)(2) of this section.

(1) Call a hiatus in insurer loss payments for insured losses of up to two weeks. In such a circumstance, Treasury will determine a PRLP as quickly as possible. The PRLP, as later deter-

31 CFR Subtitle A (7-1-10 Edition)

mined, will be effective retroactively as of the start of the hiatus. Any insured losses submitted in support of an insurer's claim for the Federal share of compensation will be reviewed for the insurer's compliance with *pro rata* payments in accordance with the effective date of the PRLP.

(2) Determine an interim PRLP. (i) An interim PRLP is an amount determined without the availability of information necessary for consideration of all factors listed in § 50.92(b). It is a conservatively low percentage amount determined in order to facilitate initial partial claim payments by insurers after an act of terrorism and prior to the time that information becomes available to determine a PRLP based on consideration of the factors listed in § 50.92(b).

(ii) In such a circumstance, Treasury will determine a PRLP to replace the interim PRLP as quickly as possible. The PRLP, as later determined, will be effective retroactively as of the effective date of the interim PRLP. Any insured losses submitted in support of an insurer's claim for the Federal share of compensation will be reviewed for the insurer's compliance with *pro rata* payments in accordance with the effective date of the interim PRLP, or as later replaced by the PRLP as appropriate.

§ 50.93 Application of *pro rata* share.

An insurer shall apply the PRLP to determine the *pro rata* share of each insured loss to be paid by the insurer on all insured losses where there is not an agreement on a complete and final settlement as evidenced by a signed settlement agreement or other means reviewable by a third party as of the effective date established by Treasury. Payments based on the application of the PRLP and determination of the *pro rata* share satisfy the insurer's liability for payment under the Program. Application of the PRLP and the determination of the *pro rata* share are the exclusive means for calculating the amount of insured losses for Program purposes. The *pro rata* share is subject to the following:

(a) The *pro rata* share is determined based on the estimated or actual final claim settlement amount that would otherwise be paid.

(b) *All policies.* If partial payments have already been made as of the effective date of the PRLP, then the *pro rata* share for that loss is the greater of the amount already paid as of the effective date of the PRLP or the amount computed by applying the PRLP to the estimated or actual final claim settlement amount that would otherwise be paid.

(c) *Certain workers' compensation insurance policies.* If an insurer's payments under a workers' compensation policy cumulatively exceed the amount computed by applying the PRLP to the estimated or actual final claim settlement amount that would otherwise be paid because such estimated or actual final settlement amount is reduced from a previous estimate, then the insurer may request a review and adjustment by Treasury in the calculation of the Federal share of compensation. In requesting such a review, the insurer must submit information to supplement its Certification of Loss demonstrating a reasonable estimate invalidated by unexpected conditions differing from prior assumptions including, but not limited to, an explanation and the basis for the prior assumptions.

(d) If an insurer has not yet made payments in excess of its insurer deductible, the rules in this paragraph apply.

(1) If the insurer estimates that it *will* exceed its insurer deductible making payments based on the application of the PRLP to its insured losses, then the insurer shall apply the PRLP as of the effective date specified in § 50.92(b).

(2)(i) If the insurer estimates that it *will not* exceed its insurer deductible making payments based on the application of the PRLP to its insured losses, then the insurer may make payments on the same basis as prior to the effective date of the PRLP. The insurer may also make payments on the basis of applying some other *pro rata* amount it determines that is greater than the PRLP, where the insurer estimates that application of such other *pro rata* amount will result in it not exceeding its insurer deductible. The insurer remains liable for losses in accordance with § 50.95(c).

(ii) If an insurer estimates that it will not exceed its insurer deductible and has made payments on the basis provided in (2)(i), but thereafter reaches its insurer deductible, then the insurer shall apply the PRLP to any remaining insured losses. When such an insurer submits a claim for the Federal share of compensation, the amount of the insurer's losses will be deemed to be the amount it would have paid if it had applied the PRLP as of the effective date, and the Federal share of compensation will be calculated on that amount. However, an insurer may request an exception if it can demonstrate that its estimate was invalidated as a result of insured losses from a subsequent act of terrorism.

§ 50.94 Data call authority.

For the purpose of determining initial or recalculated PRLPs, Treasury may issue a data call to insurers for insured loss information. Submission of data in response to a data call shall be on a form promulgated by Treasury.

§ 50.95 Final amount.

(a) Treasury shall determine if, as a final proration, remaining insured loss payments, as well as adjustments to previous insured loss payments, can be made by insurers based on an adjusted PLRP, and aggregate insured losses still remain within the cap on annual liability. In such a circumstance, Treasury will notify insurers as to the final PRLP and its application to insured losses.

(b) If paragraph (a) of this section applies, Treasury may require, as part of the insurer submission for the Federal share of compensation for insured losses, a supplementary explanation regarding how additional payments will be provided on previously settled insured losses.

(c) An insurer that has prorated its insured losses, but that has not met its insurer deductible, remains liable for loss payments that in the aggregate bring the insurer's total insured loss payments up to an amount equal to the lesser of its insured losses without proration or its insurer deductible.
